For Immediate Release

City of Minneapolis to Host Inside Industry Event to Provide Health Care and STEM Career Information to Students and Jobseekers Thursday, October 22, Minneapolis Central Library

WHAT: On Thursday, October 22, 2015, the City of Minneapolis in partnership with MNSCU Community and Technical Colleges Career Services will host “Inside Industry,” a targeted career development and job fair event focused on giving students and jobseekers an inside look into the health care and science, technology, engineering, and mathematics (STEM) professions. The event is designed for individuals interested in entering, transitioning, or advancing into health care and STEM careers.

Starting at 9:30 a.m., Inside Industry is an all-day event that offers presentations from industry professionals, interactive career advancement sessions, and networking opportunities with health care and STEM hiring managers. Representatives from MNSCU colleges including Minneapolis Community & Technical College, Saint Paul College, Hennepin Technical College, North Hennepin Community College, Metropolitan State University, and Inver Hills Community College will be available throughout the day to answer questions regarding their individual health care and STEM programs.

WHEN: Thursday, October 22, 2015
9:30 a.m. – 3:00 p.m.

Schedule of Events

Inside Industry Health Care: 9:30 a.m. – 11:30 a.m.

MNSCU College Exhibits: 10:00 a.m. – 3:00 p.m.

Entry, Transition, and Advancement Sessions: 12:00 p.m. -12:50 p.m.

Inside Industry STEM: 1:00 p.m. – 3:00 p.m.

WHERE: Minneapolis Central Library
300 Nicollet Mall
Minneapolis, MN 55401

WHY: Inside Industry attendees will discover health care and STEM education and career pathway opportunities. The event will benefit current college students, jobseekers, and professionals seeking career advancement or who are interested in leveraging their existing skills to transition into a health care or STEM career.

MORE: Free shuttles will be provided from the South Bloomington WorkForce Center, and North and South Minneapolis WorkForce Centers, Century College, Saint Paul College, and Hennepin Technical College. For additional transportation information including pick-up and drop-off times visit the City of Minneapolis [website](#).

Inside Industry is presented by the City of Minneapolis in partnership by Hennepin County, Minnesota State Colleges and Universities, Minneapolis Community & Technical College, AdvanceIT Minnesota, and C3 Fellows.
